

ROO

Roo is a light, minimalistic rocking toy that stimulates the child's imagination. An important feature that distinguishes Roo from other rocking toys is stackability, making it easier to transport and store, especially in kindergartens. ROO has received the "IF Product Design Award 2013" and the "German Design Award: Special Mention 2014"

Roo ir viegla, minimālistiska, bērna iztēli rosinoša šūpuļmanta. Būtiska iezīme, kas Roo atšķir no citām šūpuļmantām ir iespēja tos grēdot, padarot vienkāršāku transportēšanu un uzglabāšanu, it īpaši bērnudārzos. ROO ir saņēmis "IF Product Design Award 2013" un "German Design Award: Special Mention 2014"
